**3. Next year's schedule**

It was discussed that for the 2019-2020 school year, the district is wanting all elementary schools on an equal schedule. This equal schedule is Mon-Thur 8am-3pm and Fridays 8am-1pm.

The council discussed their concerns with this including increased absences on Fridays due to the short day, the impact this could have on afterschool clubs and other activities outside of school, hardships on families needing to find care for kids because of a short day, etc. The HMES Community Council was unanimously against the proposed schedule. Jileen said she would keep us posted on what the district decided.

**Construction Update:**

There will be a meeting here at the school on May 14 from 6pm-8pm to discuss plans for the new school. In lieu of our normal community council meeting in May, all members are encouraged to attend.
