

**Horace Mann Elementary  
School Community Council  
March 26, 2020  
Minutes**

**In attendance:** Nicole Lovell (stepping in for Maridee while she is out), Kelly Smith, Terri Ferrier, Desirea Walker

**Meeting was called to order at 1:01pm**

**1. Review of Minutes-**

Attendees read minutes posted online and all approved the minutes

**2. School Safety-**

Student Profiles with parent information were discussed with families that attended PTC and updated during that time.

Kelly is working with the district on updating our Safe School Route

**3. Spending for 2020-2021 and Vote-**

A teacher survey was conducted and the major priority was having enough teachers to avoid a split-class and/or reduce class size.

It is proposed that we use Land Trust monies on hiring another teacher with a emphasis on ERI (Early reading intervention)

The second priority, if money is left over is to hire another staff assistant to help provide instruction and money to pay teachers for engaging in professional development outside of contract hours.

Because there was not a majority of council members in attendance to vote, Kelly will send an email outlining the proposed expenditures and members can vote yes or no. After the vote, Maridee will update the plan online and all council members will receive email with a link to electronically sign the new plan.

**4. Schedule next meeting day/time**

If something comes up that needs to be discussed, we will meet in April, otherwise we will plan on our regularly scheduled meeting on May 13.

**The meeting was adjourned at 1:13 pm**

**The next meeting will be held on May 13, 2020 at 3pm.**
