Meeting was called to order by Terri at 3:05pm

1. Minutes from March's meeting were read and Desirea made a motion to approve. The motion was seconded by Terri.
2. Land Trust Plan- The plan was written to pay a teacher. The school has hired Hannah Wilcox from Chicago. She will be teaching 1st grade.
We will also be following the state's goal of 60% of students achieving their Pathways to Progress.
3. Construction Update-There is progress being made and we are right on schedule. The school marquee and some trees in front were removed to work on sewage and drainage for the new construction. On May 26, 2020, 9th street from Harrison Blvd to Polk Ave will be closed to put in utilities. R & O Construction will be informing the community and we will supplement by adding a flier concerning the closure in the final packet going home to students.
4. Hopefully this week, information will be going out detailing the summer programs that will be offered by the Ogden School District.

Terri made a motion to adjourn. Desirea seconded the motion. The meeting was adjourned at 3:20pm.
